PRICE, THREE CENTS

PLANS MATURING FOR THE FOURTH

Widespread Support Desired for Big Celebration in Borough.

BANDS WILL PLAY

The arrangements for the formidable Fourth of July celebration begin to take definite shape as the returns come in from the request for funds which was mailed through the borough during the week, and it is expected that the sum available will exceed that of any previous year.

Next week's Our Town will contain a list of contributors and those whom the letter may have missed are asked to make their donations to the treasurer of the fund, J. L. McCrery, at the Narberth National Bank.

The fireworks display, it is said, will include more than 100 set pieces, all of them of a highly spectacular variety, and the "firing" will be under the direction of a corps of experts which has been engaged for the occasion. The bands will play afternoon and evening and the demonstration will include ceremonies which shall maintain the patriotic prestige of the community.

The American Legion committee in charge of the field program is composed of George Markle, Robert C. Collins, Harry A. Simpson and Lloyd Rickert. The raising of the funds is in charge of a citizens' committee.

The appeal for widespread support stresses the distinction acquired by this part of the country as an important center of the memorable happenings of Colonial years, the vivid days of the Revolution and it is pointed out that the concern of our citizens for a proper observance of the birthday of the nation might reasonably be expected to exceed that of less favored sections which had no direct role in bringing to pass the previous Bill of Rights and the original Constitution that sprang from it.

The Declaration of Independence will be read as part of the evening program and if plans fulfill, by a speaker who carries the name of one of the signers. This great document will never grow old and its constant study and appreciation would seem to be an impelling duty on all those who seek to bring their American citizenship to its full estate. Back through the centuries the 33-year-old Jefferson went for his immortal utterance, keenly alert for the basic structure that would insure the stability of the amalgamated States that were to be, and he made full draft on one of the cardinal keystones of Christian civilization, that man's right to life, liberty and pursuit of happiness belonged to him by the very essence

CHURCHES UNITE

Union Twilight Meetings to Begin Sunday, July 1.

As has been the custom for many years, the Protestant churches of Narberth will hold union meetings during the summer on Sunday evenings last year, is the beautiful lawn in the rear of the Holy Trinity Lutheran Church. The meetings during July will begin at 7:30 and in August they will begin at 7 o'clock. A unique Milton "Tom Thumb" piano has been purchased for use at these meetings. The opening meeting will be held on Sunday evening, July 1, and will be a patriotic service. An address will be delivered by Rev. C. F. Swift, D. D., on "Civic Righteousness." Dr. Swift is one of the outstanding platform orators of the country and for many years has given his entire time to the work of the National Reform Association. For some years he was a member of the Pennsylvania State Legislature. Following this opening meeting the preachers will be furnished by the various churches participating in the following rotation: Baptist, Lutheran, Methodist and Presbyterian.

TO HOLD HOME BAKE

The American Legion Auxiliary, Harold D. Speakman Unit, No. 356, will hold a home bake in Dando's store Saturday, June 30. Home-made cakes, candies and bread will be on sale.

Heavy Rain Makes Impromptu Swimming Pool on Playground, Tuesday

The miniature cloudburst last Tuesday afternoon, according to one resident the heaviest rain in years, produced a double-quick shift of scenes in the playground section. Within a few minutes after the storm started the water poured down the highlands of Narberth Park after the fashion of a mountain stream run wild.

As the deluge arrived on Windsor avenue it headed westward from Conway avenue, the result being a seething river, which soon burst over the street lines and spread itself over the entire upper half of the playground. It did not take long for the boys and dogs to find this out and for an hour there was some great sport in waist-high splashing.

Meanwhile machines were hopelessly marooned on Haverford and Windsor avenues with stalled motors. It was quite funny, when one was not in one, to see the futile efforts being made to start these marvels of the gasoline age.

The business section along Haverford avenue suffered considerably, many cellars being flooded. In one shop it was many hours after the rain had ceased before the proprietor was able to get down to his basement at all.

Up at the Narberth Tennis Club several courts had been in use up to the time the rain commenced. At its cessation some of the members were still to be seen looking dolefully around at the rack and ruin so speedily accomplished on the courts.

Shortridge Creek, which runs along the western end of the borough, was dashing along its course like a millrace.

Early Wednesday morning the borough forces were out on the streets with a steam roller and other paraphernalia to see what could be done about it.

JUNIOR HIGH TRACK MEN GET LETTERS

Awards Go to 23 on Champion Team That Broke School Records.

NAME SPORT MANAGERS

Announcement of sports managers for the next year, award of letters to track men, and the conferring of honorary awards to several students, marked the final days of the term at the Lower Merion Junior High School last week.

Former State Senator Fletcher W. Stites, Narberth, was the speaker at Thursday's special assembly, when the track letters were awarded and Honor Roll scholars were announced. He urged the students to make the most of life—"for it is what we take out of life that will be valued in our hereafter," he declared.

Letters were awarded 23 boys who had during the year scored twelve or more points in track events. Herbert Young, awarded the Bala-Cynwyd-Narberth Rotary Club prize for the Decathlon, led the field with 56 points. Dick Seigel, who established a school record of 127 feet, was second with 47 points, and Captain Ben Bridgeman, who established a broad jump record of 20 feet, 1 inch, was third, with 37 points.

Other letter men were Frank Page, Bill Hemminger, Jack Rockwell, Joe Dorsey, Bill McIntyre, Martin Miller, John Penypacker, Bob Smith, John Delvigne, Jim Henry, Lewis Rondini, Harry Taylor, Wilson Meeds, Lawrence Carver, Lewis Myers, Russell Wood, Earl James, Malvin Fryberger, Arthur Prout and Townsend Euler—who established a school record of 10.5 seconds for the 100-yard dash.

Civic monograms were presented Track Manager Hillman Vaneman and Coach Harvey Harman, who piloted the team to the Junior High Inter-Suburban League Championship for its fifth consecutive year. During the season the school record for the half-mile relay was broken in a triangular meet with Upper Darby and Norristown, with a time of 1:30 1-5 minutes, by a Lower Merion team consisting of Bill Hemminger, Jim Henry, Jack Rockwell and Townsend Euler, captain.

At Friday's Assembly civic monograms were given seven in addition to the eight who had received them at Tuesday's exercises. They included Miss Paul

P. O. MOTORIZED

Beginning this week the streets of Narberth will be graced (?) by a new post office truck. This vehicle, a 5-8 ton model A Ford, will be operated by Raymond A. Maxwell and will be used exclusively for Parcel Post deliveries and collections of mail from the various boxes around the borough. It is expected that the efficiency of the local office will be considerably increased by this acquisition.

PENNACS DEFEAT NARBERTH AGAIN

Fine Pitching by Kruez and Long Aids Visitors Materially.

WAS SEASON'S CLOSEST

In one of the season's closest games Wednesday the Penn A. C. again nosed out Narberth, this time by a 2 to 1 score. The superb mound work of the visitor's pitchers, Al Kruez and Zip Long, who allowed four hits between them, was largely responsible for their victory. Murphy, pitching the entire game for Narberth, allowed only five hits, which is a highly creditable performance.

Kruez and Long on several occasions were caught in perplexing situations only to extricate themselves by magnificent pitching. Narberth's play was characterized by alertness and smart ball playing throughout the contest.

The first five innings were scoreless for both teams, though the efforts to score by each team kept the excitement running high. Finally Kruez, all-American griddler at Penn, started the fireworks by walking. Townsend singled and Lindsay walked, loading the bases. Carter then singled and Kruez scored on Humphries' wild throw home. White hit to Humphries, whose assist retired the Pennacs' second baseman and Tashjian was caught coming home.

The seventh was over quickly with a fly and two outs at first. Zip Long taking up the mound work in the seventh was equally impressive, retiring Gilfillan, Dorsaneo and Humphries in short order.

In the final inning Narberth rallied and made their one and only run. McMonagle's fly to right field was followed by Thomas' single. Thomas stole second and reached

STUDENT HONORED

Samuel Allan Wilson, of 9 Windsor avenue, a student in the Engineering Department at Drexel Institute, Philadelphia, was signally honored at the Institute Day exercises held by the Philadelphia college as part of commencement week activities when he received honorable mention for excellence in his class room work.

Academy Has Rare Bird Skin as Result of Main Line Man's Interest

Students of ornithology visiting the Philadelphia Academy of Natural Sciences have recently had the opportunity of studying a new bird skin—a rarity added to the Academy collection through the generosity of a Main Line man.

The bird, Baloeniceps Rex, or Whalehead, is an African species somewhat related to the herons. The bird, found in the Nile valley, is tall and heavy, with a gigantic bill, giving the head a superficial resemblance to that of the whale.

Few scientific institutions possess a skin of the bird. Several months ago, Dr. Witmer Stone, curator of the academy, received an offer from a British firm who had a specimen. The appropriation for the purchase of specimens was exhausted, and Dr. Stone regretfully laid the offer aside.

KIWANIS OBSERVES CONVENTION START

Message From International Head Read at Main Line Meeting.

HOLD A LADIES' NIGHT

The Main Line Kiwanis Club meeting held at Whitehall, Haverford, on Monday was the celebration of all Kiwanis night. This was the opening of the twelfth annual convention of Kiwanis International being held at Seattle, Wash., at which over 6000 delegates and guests from the more than 1700 Kiwanis Clubs in Kiwanis International were in session.

In connection with this convention there was held simultaneous meetings of Kiwanis Clubs in the United States and Canada, to each of whom Henry C. Heinz, International President, of Atlanta, Ga., had delivered a personal message.

The Main Line meeting was a ladies' night and was very largely attended. Harry E. Johnson, of Haverford, was the chairman, and the member who arranged the program.

Dr. Carmon Ross, supervising principal of the Doylestown Public Schools, a member of the Doylestown Kiwanis Club and chairman of the Efficiency Contest Committee of the Pennsylvania Kiwanis District, was the principal speaker. "What Kiwanis Means to You," was his subject.

Jacob C. Fisher, of Devon, Lieutenant Governor of the Pennsylvania Kiwanis District, read the message of International President Heinz.

LEAVE FOR HOUSTON

McAvoy, of Montgomery, on Democratic Special—Haws, III, Stays

Philadelphia district delegates to the Democratic national convention at Houston, Tex., left yesterday from Broad Street Station on a special train, which departed at 1:30 P. M. and is scheduled to arrive at Houston 10 A. M. Sunday. This train, which is to take the entire Pennsylvania delegation to the convention, was to make stops at Lancaster, Harrisburg and Pittsburgh to pick up up-State representatives.

Montgomery county will be represented at the convention by Charles D. McAvoy, county Democratic leader. His alternate, Edward S. Haws, former Narberth postmaster, who has been confined to his home with an attack of lumbago, did not go along.

"I was rather looking forward to going," Mr. Haws said Wednesday, "but it is a three-week trip and I just got out of bed today after being ill for several days. I conferred with Mr. McAvoy and when he assured me he was going, I decided to remain at home. It is not necessary for an alternate to go when the regular delegate is attending."

WINS ORATORICAL PRIZE

A Narberth boy took the first prize Monday in the annual speaking contest at Bowdoin College, held in connection with commencement Monday.

The winner, who is a freshman, took the honors from contestants in all classes. He is Thomas S. Taylor, son of Mr. and Mrs. J. Leon Taylor, of Essex avenue, and entered Bowdoin from Penn Charter School.

Service His Topic

Edward H. Snow, principal of the Lower Merion Junior High School, who was a speaker at the weekly luncheon of the Bala-Cynwyd-Narberth Rotary Club in Cynwyd Tuesday. His subject was "Service."

ANNUAL BANQUET IS BIG SUCCESS

Epworth League Affair at Methodist Church Is Well Attended.

MANY SPEECHES MADE

The recent banquet of the Epworth League of the Methodist Church was a great success, according to those present. Fifty-five members and 25 guests attended. The room was decorated in red and white, the league colors. The tables also blended with the color scheme of the room and each diner wore a red and white paper hat to harmonize with the other decorations.

The decorations were taken care of by Edward F. Purring, whose office in the league was recently changed from fourth vice president to first vice president by virtue of the election which took place May 28. His committee consisted of William Heard, newly-elected fourth vice president; Paul Thomas, new treasurer, and Eleanor Ward. The meal was catered by the ladies of the church with Mrs. C. L. Smith as chairman. Mrs. Smith was ably assisted by Mrs. W. J. Bailey, Mrs. A. M. Fleck, Mrs. Sallie Lowrey, Mrs. C. M. McCracken, Mrs. S. Schiller and Mrs. A. W. Ward.

Many interesting speeches were made and mixed in was some very fine entertainment, which made the evening well worth while. Rev. Franklin Duncombe, of Philadelphia, who is president of the Philadelphia Conference Epworth League, brought greetings from the conference and told of the work that would be accomplished this year. Rev. J. H. Barnes, of Tacony Church, Philadelphia, dean of the Millersville Institute, brought an institute message telling the advancement being made this year. He showed the great benefit to the local league and also the help each individual received when he attends the institute. The institute this year starts on the 30th of July and ends on August 6. The local league will be well represented with about 15 delegates.

The quartet of the Ardmore Baptist Church rendered some excellent musical selections and the members of the quartet also entertained individually.

Rev. Frank Prentzel, of Philadelphia, and Rev. W. H. Robinson, of Hatoro, officials of the

NEW MANAGER

An addition to the staff of the Narberth Theater was announced this week in the appointment of Warren J. Simpkins as organist and manager. Manuell Salasin, who has managed the theater and its activities for several months, will be associated with Mr. Simpkins as assistant manager.

The new organist is well known throughout this section, not only for his playing, but as a personnel man. He will work with Mr. Salasin in promoting the many activities of the enterprise which are maintained in addition to the pictures.

ROTARIANS HEAR SERVICE MESSAGE

E. H. Snow, Junior High School Principal, Is Bala-cynar Speaker.

TELLS OF PERSHING

Community service, as shown in the lives of world figures, was the topic of a talk Tuesday before the Bala-Cynwyd-Narberth Rotary Club by E. H. Snow, principal of the Lower Merion Junior High School.

True service, the speaker said, must be of the unobtrusive kind, and yet must not stand in the way of leadership. "I admire the man who wants to get out front and earn the admiration of his community," said Mr. Snow.

America's feeling toward wealth was used as an example of the difficulties besetting the community servant. We encourage wealth, he said, and measure a man's success in that way, but as soon as he amasses wealth we start shooting at him.

"After all," said Mr. Snow, "the man who pays his debts, keeps his home well and gives when and as much as he is able, is pursuing true community service."

The life of John J. Pershing, general-in-chief of the United States armies, was outlined as an example of service in a broader sense. Mr. Snow, himself a veteran, traced the life of America's war leader from student days to the time of his retirement.

The Rotarians were given a picture of a life of action and accomplishment, yet characterized by a perfect sense of self-discipline and obedience to orders. The speaker quoted many incidents of "Black-Jack's" career to prove his point.

One of these occurred in Mexico, where Pershing had surrounded the bandit Villa and was in a position to bring him out of his stronghold in chains. An order from a wavering government at home told him to withdraw, though success was at his fingertips. Despite the temptation to delay or ignore the word of Washington, Pershing swallowed his personal ambitions and withdrew his troops.

Another of the many stories was of the tremendous personal discipline which permitted Pershing to lock within him the horror of the tragic death of his family and to take up his responsible task in France, and later to submerge personal ambition in order to have Foch created Marshal of the allied forces.

Finally, when, at the prime of his life, the order for retirement was given him, Pershing quietly withdrew, and holds the distinction of being one of the very few American war generals who have not courted the Presidency.

WILL ENDORSE HOOVER

Republican Association to Take Action Next Week—Will Elect

Hoover for President and Curtis for Vice President along with the rest of the Republican county and township ticket for the November election will be formally endorsed by the Republican Association at its final meeting of the season which will be held early next week.

The affair will be either on Monday or Tuesday night, but which date was not certain the latter part of this week, when President Peter C. Hess announced that a session would be held. He will make definite announcement to members today or tomorrow.

The gathering will be a dinner-meeting and will be held at Whitehall, Haverford. Other features of the session will be the annual election of officers.

CHOPPERS BUSY

Amid sounds of rending and hewing, the trees on the property of the Narberth Tennis Association, along Haverford avenue, hit the dust this week. Eight gaunt trunks remain, but these will also come down soon, leaving 18-inch stumps which will make convenient resting places for tennis enthusiasts or other weary wanderers on the upper end of Haverford avenue.

"GAY-NECK" WINS

Newberry Medal for Best Children's Book Given by Mukerji.

The John Newberry Medal given annually for the most distinguished children's book of the past year has been awarded to Dhan Gopal Mukerji for his book, "Gay-Neck." The presentation was made at the American Library Association's fiftieth annual conference held at West Baden, Indiana, May 31 to June 2.

John Newberry, in whose honor the medal is named, was an eighteenth century publisher and bookseller and one of the first publishers to devote attention to children's books. The medal is the gift of Frederic G. Melcher, of New York City. Only citizens who are residents of the United States are eligible to receive it.

"Gay-Neck" is the story of a pigeon born in India, the most beautiful pigeon, as Mukerji says, in his home town where the boys owned 40,000 of these pets. The story takes "Gay-Neck" through his adventures in Calcutta and later on through the world war, where he served as a carrier pigeon. There are also in the book many incidents relating to Ghond, the wonderful Indian hunter who understands the language of animals. The book carries decorations by Boris Artzybasheff, which have a beauty of design completely in harmony with the text.

The library has this book now ready for circulation and is recommending it on the list of vacation reading for children.

Former titles which have been awarded the Newberry prize and which may be found in the library are "The Story of Mankind" by Van Loon, "The Voyages of Dr. Dolittle" by Lofting, "Dark Frigate" by Hawes, "Fables from Silver Lands" by Finger, "Shen of the Sea" by Chrisman, and "Smoky" by James.

Ministers Attend

Preachers from three Main Line Methodist churches were among those attending the annual gathering of Methodist clergymen of the Philadelphia district at the Carson Simpson Farm, near Willow Grove, on Monday. Justice Simpson, of the Pennsylvania Superior Court, was the host. Main Line ministers attending were Rev. Frank M. Gray, of the Cynwyd Methodist Church; Rev. Samuel MacAdams, of the Narberth M. E. Church, and Rev. David W. Seigrist, of the Ardmore Methodist Church.

GILFILLAN CAMP

Swimming Club

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.

A CIVIC APPEAL

By THE SPELL BINDER

Elsewhere in Our Town an appeal is made for funds to defray the cost of Narberth's Fourth of July celebration. It is stated that the plans call for a more significant and important occasion than ever before.

We are glad to note the emphasis which is put on the part this territory played in the Revolutionary period, and there will be general acceptance of the point that Narberth has more than usual reasons for a proper observance of the birthday of the nation.

There ought to be general participation in the affair, particularly as the committee indicates that contributions as little as \$1 may be made, and the program which is planned would seem worthy of the day and the deeds it commemorates.

Those who can will be more generous, and the fact that some residents will be away on the holiday should have no influence on the request which is made for everybody to contribute. It should be a 100 per cent. list and, no doubt, will be such.

TRAFFIC LIGHTS

By THE SKIPPER

Two weeks ago we called attention in these columns to the dangerous traffic situation at Narberth and Haverford avenues, urging that action be taken to prevent a tragedy at that point.

The editorial offered the possibility of a traffic light at that point, and referred to such devices in uncomplicated terms. Being a motorist, I don't like too many traffic lights.

The next day we were assailed on the streets by a gentleman from the South Side noted as a keen observer and a good reporter. Along came one of Narberth's leading coal merchants and joined the argument, which centered about the mooted traffic light.

Said the South Sider, "Traffic lights prevent accidents." Said the coal merchant, "They are a nuisance and where they are not present motorists use common sense." Said the editor, "Look at Paris. That city does without them successfully."

After the South Sider had reminded the editor that said South Sider had been to Paris and that the editor had not, we quietly withdrew and let the others continue the argument, which they did for many minutes. Reports have it that it was a draw.

Yesterday in the mail we find a sheet of paper from South Sider with parallel clippings from the Evening Bulletin and London Observer. They show that Philadelphia has about half of Paris' street deaths, with many more cars.

We present these arguments, not to show that we have lost any of our prejudices against the flashing green, red and amber signals, but to bring out both schools of thought.

We still think something can be accomplished in our business section without an electric signal, but no progress may yet be reported. Horns bellow, brakes shriek and children dart away from flying wheels.

We will be glad to concede the traffic light to South Sider. Better a red lens than a red mark on the street.

ON VACATIONING

By THE FIRST MATE

As every year rolls along there are for most of us two weeks which we can call our own in a vacation to do as we like. The aim of a vacation seems to be to exchange our everyday life and personalities for something more interesting, more vital, more romantic, if you will. In search of high romance we follow wandering fires which beckon us on from afar. The seashore, the mountains, the woods, lure us with dreams of undiluted bliss. The call of the open road with the family car packed to the brim is a loud clear call for many.

Then there is the healthful vacation. "Take a trip for your health!" A change of scene and companions will do you worlds of good. Eat good food, exercise daily in the open air, avoid luxuries, etc., ad infinitum. Such is the good advice broadcast throughout the land at this time of year by public health officials and doctors who write for the press.

Without disregarding all this as so much appalauce, it is still possible to suggest that another kind of a vacation is feasible and from one point of view highly desirable. What of the sphere of intellectual adventures, what of the realms of gold? Thrills, according to a writer in the current number of *Fortune*, are commonly classified as of two types; those that proceed from fear and those of the stomach. This is a great misfortune, the writer avers, since there is another type which surpasses these in magnitude, in quality and in lasting effects.

This is the thrill of a new idea. The classic example quoted is that of Archimedes rushing naked into the streets of Syracuse shouting, "Eureka, I have found it," after discovering the law of gravitation. Our intellectual enthusiasms may not take such unconventional form as that, but they may still contain the element of surprise and the ability to afford us an emotional kick. And this will be the case so long as our minds and bodies are inter-active.

What an opportunity a vacation affords to catch up on reading we have meant to do, to read that old book we have always wanted to read, but never seemed to find time for, and some of the excellent new ones. What a chance to track those ideas down which come to us in spite of ourselves, to play with them, to examine them, to see if they are really ours, to consider their theoretical and practical consequences! What a chance to forget for a time that we are John Doe, of Narberth, engaged in business in the city, and that we really are a representative human being, a citizen of the world with the whole range of human experience to call upon.

The FIRESIDE

A general exodus to seashore and mountains features the news for the week. Among those who are spending the summer in "Narberth's Summer Resort," which is also known as Ocean City, N. J., are Samuel P. Bowman and family, of Elmwood avenue. Superintendent of Public Works George B. Supplee, with Mrs. Supplee, and George, Jr., accompanied by Mrs. Supplee's mother and sister motored over last Saturday and opened their cottage for the season. Mr. Supplee will spend the week-ends with his family. The L. Parker Millers, of Dudley avenue, left early this week for the shore. Ocean City, Maryland, is favored by B. G. Constantine and his family, of Haverford avenue.

Mrs. John P. Miller, of Montgomery avenue, is staying at the Thorndyke Hotel, Jamestown, Rhode Island, for several weeks.

Miss Mary F. Miller, of Essex avenue, will leave soon for Cape May, N. J., until September 10.

Mr. Albert H. Nulty and family, of 345 Meetinghouse lane, are making plans for their vacation, to be spent in Cape May also. They will leave sometime soon and expect to be gone for about a month.

Mr. and Mrs. John S. Ketcham and Master William Ketcham, of 407 Haverford avenue, sailed from Montreal, Thursday, on a cruise to the North Cape. After sightseeing in several North European countries they will visit friends in London, returning home via Southampton to New York, and will then occupy their summer cottage at Ocean City.

Mr. and Mrs. H. C. Keim, of 202 Dudley avenue, attended the State Convention of Certified Public Accountants which was held at Bedford Springs, Pa., Monday to Wednesday of this week.

Dr. Leroy A. King, of Grayling avenue; Mr. Robert Scott and family, of Woodside avenue, were seen on the boardwalk Saturday night at Ocean City.

Mr. Donald E. McCormick and family, of Brookhurst avenue, will leave the first part of next month for Ellsworth, Maine, until September 1.

Mr. and Mrs. George B. Heald and their three children, of Hampden avenue, leave next week for Northport, Maine, for the summer.

Miss Mary Landis, of Ardmore, and Miss Margaret Lambert, of Shady lane, left on Monday for Camp Pine-nacle in the Helderberg Mts., N. Y.

Mr. F. H. Blake and family, who formerly lived at 515 Dudley avenue, are now occupying their new home at 639 Chestnut street, tere Haute, Ind.

James A. Maxwell, Jr., son of Mr. and Mrs. James A. Maxwell, of 107 Price avenue, received the degree of Doctor of Dental Surgery at the recent commencement at Temple University Dental School.

Among the girls leaving for camps this week are Muriel White, Ruth Egmore, Betty Green and Helen, and Bobby Staley, who are going to Camp Owaisa, in the Poconos.

Betty and Helen Hoffman and Kathryn Jane Miller are going to Camp Bueno in New Hampshire.

Harriet Marsh, of Woodside avenue, will leave for Camp Oneka, in the Poconos, shortly.

Honora Snyder will be at Camp Iriquois, in New Hampshire, for the summer.

Betty Seaboldt will spend the summer at Camp Caredon, North Girard, Pa.

Jane and Peggy Town, daughters of Dr. E. C. Town, of Narberth and Windsor avenues, are at Camp Cedar Pine, above Williamsport, Pa.

Mr. and Mrs. Robert J. Nash, of Price and Narberth avenues, were in Louisville, Kentucky, this week, where they attended the National Real Estate convention.

Clark Myers, of Elizabeth, N. J., is visiting his aunt and uncle, Mr. and Mrs. H. R. Paige, of 227 Dudley avenue, for two weeks.

Miss Kitty Timm entertained several friends at bridge at her home on Narberth avenue, last Friday evening, her guests including the Misses Helen Staley, Anne Van Auken, Betty Green, Billy Mumma, Catherine, Peggy and Adele Aungst, Barbara Sutherland, Betty Seaboldt and Katherine Jane Miller. Miss Timm and her brother Charles spent last week-end in Atlantic City.

In the seventh the All-Stars grabbed one, but Narberth's five in this inning sunk all hopes for the visitors. Hampshire scored on Thomas' single, Graham tallied two more as he scored Master and McMonagle and Davis added the final two as he brought in Graham and Dorsaneo.

James Clinton Shaw, of South Narberth avenue, received the degree of

Bachelor of Science in the Mechanical Engineering course at the commencement exercises at the U. of P. this week. He also won the Hugh Otto Wolf Memorial Prize in Mechanical Engineering.

Dr. and Mrs. John H. Davis, of Iona avenue, entertained at luncheon Wednesday at their home Mrs. S. A. Compton and Mrs. A. G. Compton, of Woodbine avenue. Mrs. S. A. Compton is spending the week as the guest of her son and his family.

Miss Betty Purse is expected to return to her home on Elmwood avenue today from a two weeks' visit with her cousin in Hazleton, Pa.

Mrs. E. S. Haws, of Dudley avenue, and her daughter, Mrs. J. C. Nash, of Wynnedale road, spent a week-end recently at the Chalfont-Haddon Hall, in Atlantic City.

Miss Marie Wentz, of Wayne avenue, left last Saturday with Mrs. J. Laughlin and son for California for several weeks' visit. Miss Wentz will visit her aunt, Mrs. Enfield, who lived here at one time.

Dick Wentz will leave soon for a two weeks' visit in Washington, D. C. Mr. and Mrs. Wallis Boileau, Jr., of 210 Wayne avenue, have opened their cottage at Avalon for the season.

Miss Ruth Torrey has returned from a week-end party given by Mrs. Howard C. Warren, of Princeton, N. J. Miss Torrey is entertaining Miss Helen Hope, of Stamford, Connecticut; Miss Janet Owen, of New York City, and Miss Virginia Slicer, of Rising Sun, Md.

Mrs. Eberhart Mueller entertained at six tables of bridge at her home on Essex avenue last Friday. Most of the guests were from out of town.

Reverend and Mrs. H. C. Shindle, of Elmwood avenue, are guests of Mr. and Mrs. T. M. Malm, of Newark, Delaware.

McCarter—Reiss.

The marriage of Miss Eleanor Reiss, daughter of Mr. and Mrs. John J. Reiss, of 431 Woodbine avenue, and Herbert McCarter, son of C. Howard McCarter, of Shirley lane, was solemnized last Saturday afternoon at 4:30 o'clock in the Presbyterian Church, with the Rector, the Rev. John Van Ness, officiating.

Miss Ruth Reiss, a sister, was the maid of honor and the bride's only attendant. The best man was Charles McCarter, a brother of the groom. Frank McGrady, of Bryn Mawr, and Harold Reiss were ushers. The bride was given in marriage by her brother, Elwood Reiss.

After the reception, which was held in Philadelphia, Mr. and Mrs. McCarter left for a honeymoon trip, and upon their return will be at home at the Forrest Apartments on Forrest avenue.

Reiss—Carpenter.

Miss Dorothy Carpenter, of Ardmore, will be married this afternoon at 4 o'clock in St. Mary's Episcopal Church, Ardmore, to Harold Reiss, son of Mr. and Mrs. John J. Reiss, of Woodbine avenue. After a wedding trip Mr. Reiss and his bride will live in Ardmore.

Frantantoni—Cirrito.

St. Thomas' Church, Villanova, was the scene of a very pretty wedding last Saturday evening at 5 o'clock when Miss Vincenzina Cirrito, of Bryn Mawr, became the bride of Mr. Thomas Frantantoni, of Hampden avenue. Miss Nellie Frantantoni was one of the bridesmaids, and little Miss Rosina Frantantoni, a niece of the groom, made a very sweet flower girl. A brother of the groom, James Frantantoni, was the best man. After the reception, which was held at Moose Hall in Bryn Mawr, the couple left for a wedding trip to Atlantic City and Washington, D. C., following which they will live in Ardmore.

MRS. MARY CABREY

Mrs. Mary Cabrey, wife of the late Richard Cabrey, died Tuesday at the home of her son, Raymond A. Cabrey, Narbrook Park. She was 74 years of age.

Mrs. Cabrey had made her home in Narberth for the past eight years. Her death followed an illness of two weeks.

She is survived by six children: Mother M. Pierre, of the Order of the Blessed Sacrament; Mrs. Edgar T. Hoffner, of Highland Park; John J. Cabrey and Raymond A. Cabrey, of Narberth; George A. Cabrey, of Philadelphia; and Frank Cabrey, of Philadelphia.

Funeral services will be held from her late home this morning with Solemn Requiem Mass at St. Margaret's Church. Interment will be at Holy Cross Cemetery.

EXHIBIT NEW MODELS

The new series of attractive cars announced this week by the Nash Motors Company is on display at the show rooms of the Roberts-Nash Company, Ardmore. Known as the "400" series, the line represents the culmination of great study and expenditure on the part of the manufacturers.

The new cars, redesigned to an attractive version of the modern body lines, are featuring twin ignition as their greatest advance. The six-cylinder motors gain their firing from 12 spark plugs.

All models are equipped with full hydraulic shock absorbers, front and rear—Houdaille on the Advanced Six and Lovejoy on the Special and Standard Six. Bijur centralized lubricating system on the Advanced Six models sends automatically metered oil changes to 21 chassis points at the depression of a convenient foot pedal. With its improvements this new series of cars will be delivered to buyers at prices as low, or lower, than those of previous series.

Sinclair Lewis plans to buy a farm where he can have a tranquil place to write. Evidently Sinclair never heard of early frosts, tater bugs, drought, sheep-killing dogs, carburetor trouble with the tractor and low prices.

NARBERTH WALKS OVER RIVERSIDE

Jersey Visitors Provide No Opposition to Local Sluggers.

TWO HOMERS MADE

The Riverside A. C., from across the river, provided no opposition to Narberth's sluggers last Saturday, who walked away with a 17-to-2 victory. It was an entirely one-sided contest throughout, with Narberth hitting incessantly. Manager Fred Walzer presents his sincere apologies to the big crowd that turned out to witness a good ball game for presenting such a raw aggregation. According to Fred, the visitors were "misfits and an aggregated mob of impersonators." This team he believes is not the champion ball club of Upper New Jersey, which was the team scheduled.

Charley Townsend, Narberth's star pitcher at the time of league competition, made his appearance after a long absence from the local line-up.

Two circuit clouts, the first of the season on the Narberth diamond, by Thomas and Giffilan respectively, aided materially to the size of the score.

In the first inning the deluge commenced with runs by McMonagle and Townsend on Humphrey's single. Townsend scored again in the second, after stealing second and third. Two more were acquired in the fourth when Hampshire singled and was brought in by Thomas' home-run blow. The fifth was a gruesome inning with Narberth scoring 10 runs. It was merely a case of singling or doubling and being brought home throughout the long inning. Giffilan contributed his homer in this period with two on. Townsend, not being satisfied with four runs scored his fifth in the seventh inning.

The eighth saw what scoring the visitors were due to get. Narberth's last was also made in this inning by Masters on Babb's fly to left field.

Tiger Liked Him Not, But Ardmore Man's Bird Gun Looked Impressive

Armed only with a small caliber bird-gun, Rudolphe de Schauensee, of Ardmore, was confronted by a full-grown tiger on the edge of a jungle in Northern Siam while on an expedition recently to obtain specimens of the comparatively little known fauna of the region.

The tiger grimly surveyed the young collector and his native gun-bearer and then beat a growling retreat into the jungle. Mr. de Schauensee returned to his encampment for more effective arms to hunt down the animal. Although he and C. Tyson Smith, of Philadelphia, fellow member of the expedition, beat the surrounding territory they failed to uncover the lair of the animal.

The tale of the tiger encounter and its fortunate denouement was unfolded Saturday by Mr. de Schauensee, who recently returned with 200 living specimens of the bird and animal life of Siam, Sumatra and the Malay Peninsula, and with many skins to be mounted for museums.

"We had seen no tigers before that," the collector said, "and we foolishly left

Hoover Nomination Brings Joy to Local Leaders, Who Praise Choice

Nomination of Herbert Hoover as the Republican party's candidate for President at Kansas City last week brought jubilation to Republican leaders in Lower Merion. Narberth and Montgomery county in general. In a section where the sentiment of the voters of the Republican party was predominantly pro-Hoover, these officials had been fearful earlier this spring that a dark horse might be nominated and thus make their task of rolling up majorities here for the party ticket more difficult than necessary.

Republican leaders who have been sounding out voters in the township and Narberth still admit that they may be unable to prevent the defection of many of their followers who have announced a preference for Governor Albert E. Smith, who is believed to be assured of the Democratic nomination at Houston next week. But with Hoover to fight with they look forward to the November election with confidence.

"Hoover is the best man that could have been elected," was the consensus of opinion here. "He is not an old line politician," admitted one leader, but "old line politicians," he pointed out, were sometimes "hard to put over." The reference was to the Senate fight of two years ago between Vare and Wilson when Lower Merion and Narberth for the first time in years went Democratic as a protest against the nomination of the Philadelphia boss.

Reaction of Democratic leaders on the Main Line to the nomination of Hoover was, of course, less enthusiastic. While still hopeful of making inroads upon their Republican rivals with Smith, they had hoped for another choice by the Republican convention which might have made their task easier. Hoover, these Democrats admitted, was the best candidate the Republicans could choose. They did not neglect to point out, however, that several years ago some doubt existed as to whether the Commerce Secretary was a Republican or a Democrat.

Commenting on the nomination of Hoover this week, Township Treasurer Peter C. Hess, Lower Merion Republican leader, said:

"I think Hoover, from all angles, is the best candidate the Republican party ever had for President. He is not a professional politician, but is a good one. Everything he has done has been of a constructive nature. No one will get away with anything with Hoover in the White House. Undoubtedly, the rank and file of old-time leaders were unfavorable to his candidacy, but he is the best candidate that we could have been given for presentation to voters in this section as the head of the Republican ticket."

"That was a fine piece of work that the party did at Kansas City," said Frank H. Sykes, president of the Lower Merion commission, commenting upon the selection of Hoover.

"Hoover was the best man the Republican party could have selected," was the comment of Assemblyman Fred C. Peters, of Ardmore. "He is the strongest man in the country and one of very wide experience. He will go very well with the Republican voters in this section."

Commenting on Hoover's selection

from the angle of a member of the opposite political party, Edward S. Haws, of Narberth, alternate delegate to the Democratic convention next week, declared:

"Off hand, I should say that if I were one of the old war horses of the Republican party I should be inclined to be rather 'sore' to see an outsider like this step in and take the big plum, especially one who did not know eight years ago whether he was a Democrat or a Republican. Hoover is a good man, but there were plenty in his party who did not want him and took him only because they had to do so."

Commenting on the campaign this fall, Mr. Haws, who saw the nomination of Governor Smith at Houston as certain, declared:

"It is going to be a real battle and will be anybody's fight. We will make inroads on the Republican vote with Smith, but there is not much use getting exercised about what will happen in Lower Merion or Pennsylvania as a whole. The Republican vote may be smaller than usual, but it will still be in the majority. "Pennsylvania is beyond redemption and we Democrats can't expect to get very much in the neighborhood. There will be a tremendous lot of people for Smith, here and in the State, but they won't be enough to carry it for him, I am afraid. I don't think the Democratic party will spend any unnecessary effort to do anything big in Pennsylvania, but will throw most of its strength into States where there is a chance."

Plan Week-End Tours

With the general trend of early motor vacationists moving northward, comes the plea for a trip to mountain and lake resorts. Two popular spots, the Poconos and the Finger Lakes are offered this week by the Keystone Automobile Club.

"Much can be said for both resorts," said Joseph R. Murphy, manager of the Keystone Automobile Club in Ardmore. "In that they are beauty spots, but of a different nature. The Poconos offer the cooling breezes of the mountains, coupled with the sparkling blue of the cool mountain lakes, while the Finger Lakes provide a beautiful wilderness country."

The Poconos can be reached easily in an afternoon. Not many years ago, however, it was a two-day trip in a horse and carriage. To reach the mountains, from Ardmore, drive on Gulph road and Crooked lane to Bridgeport and Norristown. Follow State road from Norristown to Bethlehem pike, and turn left to Montgomeryville. Turn right here into the Montgomeryville pike to Doylestown, and turn left into the Lackawanna Trail. Follow the trail through Plumsteadville, Pipersville and Kintnersville and then on to Easton. In Easton, follow Third street, and bear right up College Hill to reach Wind Gap. Pass through Stockertown, Belfast Junction, Wind Gap, Saylorsburg, Selata and turn left at Snyder'sville, through Bartonville, Tannersville, Scotrun and Swiftwater to Mount Pocono.

To reach the Finger Lakes, at Watkins Glen, a well-known resort, drive west from Mount Pocono on the Wilkes-Barre road, through Blakeslee and Bear Creek to Wilkes-Barre. Cross the river, and drive to Exeter and Pittston, where you turn left.

By using this left turn, it is possible to avoid the city of Scranton. This is State Route 22, and leads to Osterhout where the Roosevelt Highway is met. This section is also known as the Sullivan Trail, and is cut into the sides of mountains, with a guard rail on the outer edge. It is a good idea to have your brakes adjusted before using this trail. It passes through fine scenic country, and affords many pleasant panoramas. Drive through Tunkhannock, Mesopotam, Skippers Eddy, Wyalusing and Rummelfield to Towanda. Continue on to North Towanda, and bear right into State Highway 42, which passes through Milan, Athens and Sayre to Waverly, in New York. Bear left here, through Chemung and Lowman to Elmira.

From Elmira, drive due north through Horseheads, Pine Valley and Montour Falls to Watkins Glen, the chief resort in the Finger Lakes district. According to tradition, these six lakes were placed by the Great Spirit in recognition of the devotion of the Iroquois Indians. They are supposed to represent a portion of the Happy Hunting Grounds, which were placed on earth for the red man.

Relics from the prehistoric ages have been discovered by archaeologists in the silent woods. The information gathered shows that Eskimos, then Mound Builders and the Algonquians lived here before the Iroquois hunted on the shores of the lakes. Many good roads offer fine day trips to the motorists while stopping in this district.

SHEPHERD DOGS IN MAJORITY AT SHOW

Shepherd dogs were out strong at the Main Line Kennel Club Show held Sunday afternoon at the Remington estate, Winding Way, Merion, with 38 actually judged by Dr. Joseph D. Limquico. There were 300 entries in all.

Iso of the Anthracite, was awarded ribbon for best of breed. Iso is a strongly-built dog, with good ring manners. Iso met keen competition with Eclipse of If, owned by the Greystock Kennels.

Pomeranians were next in the number of entries, 30 facing Mrs. V. J. Spindler, of Narberth. Twin Oaks Tangerine, owned and shown by Mrs. M. Bigelow, upheld its long list of winnings, but was beaten for best by another popular Pom, Champion Pommette Wee Shrub, owned and shown by its owner, Mrs. M. S. Dilks.

Boston terriers were also well represented and judged by Jack Rose. Sigourney Kings Best, owned by Mr. and Mrs. Joseph A. Miller, repeated its success of the Camden county show.

Dr Burk On Board

The Rev. Dr. W. Herbert Burk, rector of the Washington Memorial Chapel at Valley Forge and historical authority on the Revolution, has accepted membership on the board of governors of the new Valley Forge Military Academy, which will be opened for students next September at Devon, three miles from the Memorial Chapel.

Other members of the board of governors have not been announced. Dr. Burk gave out a statement expressing satisfaction with the establishment of a military academy in the neighborhood of the Revolutionary War camp ground and offering the chapel for any cadets who may desire to attend religious services there. He suggested that when the cadet corps of the Academy is sufficiently large arrangements may be made for its participation in future ceremonies at Valley Forge.

TO OPEN 18 HOLES AT VALLEY FORGE

Completed Course Will Be Played for First Time Tomorrow.

LAID OUT BY WARNER

Officials of the Valley Forge Golf Club, the latest addition to the growing list of "pay-as-you-play" courses in the Philadelphia district, announced recently that the entire 18-hole course of the club will be opened for play to the general public tomorrow, June 23.

Main Line golfers have been enjoying themselves over nine holes of the layout for more than a month. Members of the Philadelphia Newspapermen's Golf Association held one of their weekly tournaments at Valley Forge approximately four weeks ago and voted the links a fine addition to the district courses.

The Valley Forge course has proved very popular in the short time it has been in existence, and it is believed that the opening of the entire 18 holes there tomorrow will greatly increase interest in the course. Francis Warner laid out the links.

As its name implies, the Valley Forge Golf Club is located in the historically famous Valley Forge section on the Montgomery pike (Gulph road), near King of Prussia.

Officials of the new organization are planning a series of exhibition matches to supplement the recent contest that brought Bill Haines, of Tredyffrin and West Chester, and Howard Slattery, the pro at Tredyffrin, into action against J. Wood Platt, Philadelphia amateur champion, and Bill Coltart, the home club pro.

An exhibition engagement may be a bi-weekly or monthly event at Valley Forge.

L. M. Anglers Land 350

A party of 16 fishermen, made up mostly of members of the Lower Merion police department and township officials, caught a total of 350 fish in a trip to Fortescus, N. J., last Thursday. Squire Franklin P. Kromer, of Cynwyd, was the host.

Brother Howard Kromer turned in the highest individual total for the trip when he landed 38 fish. Commissioner Andrew MacDonald was second high with a catch of 27.

The party left at 3 A. M. and motored to the Delaware River resort, where three boats had been engaged for the day's sport. Those who went on the trip in addition to the Messrs. Kromer and MacDonald, included Robert Winthrop, Joseph Cairns, Harry Johnson, Charles Murphy, Township Secretary Evan L. James.

Township Treasurer P. C. Hess, Lieutenant Patsy Mullin, Sergeant Brown, Officers Ristine, Malloy, Pollock, Brown and Henshaw.

INSTALL NEW WHISTLE

Narberth's new fire whistle was placed in operation this week, mounted on Elm Hall to replace the old siren. It will be tuned and finally adjusted when the work on the building is finished.

When completed the whistle will blow a series of signals indicating the position of the fire. This signal code will be announced later.

Police Ask Co-operation in Order to Stop Summer Vacation Burglary

Its annual vacation warning to householders was sounded by the Lower Merion Police Department this week. In a statement issued Wednesday, Superintendent Charles P. Smith declared:

"Burglars and sneak thieves reap a rich harvest during the vacation season. Before going away, it would be well to observe the following:

"DON'T fail to notify the mail carrier to hold your mail. Accumulated mail is an open invitation to a sneak thief. Notify your newspaper carrier, milk man, or anybody else who may deliver articles to suspend deliveries until

your return.

"Ask your neighbor to keep an occasional watch on your premises, and see that windows and doors are not tampered with, asking them to notify the police at once of anything out of the ordinary.

"Under no circumstances should valuables be left in the house. Your neighborhood bank and storage warehouses will take care of valuables.

"Securely fasten every door and window. Don't pull the shades all the way down. This conveys the impression to an outsider that the house is vacant.

NASH presents a New and Finer Motor Car

New Twin Ignition Motor New Salon Bodies

"The three new Nash Series, which are being introduced everywhere today, achieve the ambition of my manufacturing career.

"They represent an entirely new type of motor car, priced moderately, but offering you all the beauty and quality and performance heretofore exclusive to very expensive automobiles.

"To create such a car we had to develop an entirely new type of design and invest over \$2,500,000 in dies and machinery alone.

"Both the Salon bodies and the high compression motors which power these new models exemplify the most radically modern advancement in body craftsmanship and engineering.

"Naturally space precludes the full listing of all features but I do want to draw your attention to a number of the outstanding attractions such as:—

"—Twin ignition, high compression, Bohnalite aluminum alloy pistons

with Invar-struts, 7-bearing crankshaft with hollowed crankpins, Bijur centralized chassis lubrication, Houdaille and Lovejoy shock absorbers, Biflex-Nash bumpers and bumperettes, chrome plating over nickel for all exterior metal ware, double-drop frame, one-piece Salon fenders and longer wheelbase lengths.

"This new-type engineering of the '400' motors makes them by far the best performing cars I have ever built.

"I don't think anyone will ever want to use all the speed and power they deliver.

"Equipment is absolutely complete at the factory list price and you need buy no extras except a spare tire.

"If my judgment is worth anything you will find it well worth while today to examine this new automobile development with the greatest care."

FROM AFAR—For Good Things

Not an idle boast is the statement that our customers come from afar to buy White's sweets.

One customer drives to Narberth from Germantown; another from West Chester; many from Overbrook, from Merion, Bala-Cynwyd, Wynnewood, Ardmore, Haverford, Bryn Mawr, Villanova and St. Davids.

They come for our delicious pastry, baked in the most modern bakeshop on the Main Line; for the nuts that are roasted fresh every day; and most of all, for ice cream in fourteen (14) flavors, made as good as ice cream can be made.

ALL STARS TEAM
FAILS TO SHINE

Veteran Players Unimpressive
in Onesided Contest,
Monday.

SCORE WAS 14 TO 4

On Monday, the 18th, Narberth conquered again, when they defeated Bill Durbin's All-Stars 14-4. The one-sided fray was poorly played on the part of the visitors. Narberth's field performance, however, was nothing to brag about. They still fumbled and juggled the ball and "came to" at times a trifle late.

Roy Thomas, former Phillies' player, at the age of 52, made the younger fellows look like old men. He could hit and play his right field in an enviable manner.

Narberth took a one-run lead in the first, which was quickly tied in the third as Thomas doubled to left field scoring Bill, himself.

The following inning gave the All-Stars a two-run lead. Blake drove to left field followed by Matchett's double on Dorsaneo's error. Moore's double scored Blake and Matchett.

That same period added another to the Narberth scorebook when Dorsaneo singled. McMonagle walked followed by Gilfillan's single, filling the bases, where Humphries' single scored Dorsaneo. That inning was ended with Gilfillan alone on base; McMonagle having been put out when he was caught between third and home in an attempt to steal the plate.

It was in the fifth stanza that our boys began to run away with the "Vets." Master singled and McQuire doubled on the pitcher's poor assist. Dorsaneo followed by a double, scoring Master and McQuire. Dorsaneo stole third as Fleck missed the third strike. McMonagle walked and Gilfillan made first, forcing McMonagle out at second. Humphries' single tallied three runs as Gilfillan came home.

Rallying with ease, Narberth took four more in the sixth. Fleck singled and McMonagle doubled on Jeffries' incessant errors. Jeffries' five fumbles throughout the contest proved quite costly to his team. Gilfillan grounded to right field and McMonagle was put out for interfering with the shortstop and Fleck returned to third after having touched home, but was later put out when caught off guard. Humphries' single advanced Gilfillan to third. Hampshire walked, forcing Gilfillan home. Thomas' single on Jeffries' repeated errors, scoring Humphries. Thomas stole second and Babb doubled, scoring Hampshire and Thomas.

PLAY COLORED TEAM

Today Narberth fans will have the opportunity to see the champions of Virginia in action against the home team. Colored teams are always fun to watch, but when they can also play first-class ball there is no excuse for staying away.

Wednesday in a twilight game Narberth will cross bats with the Twentieth Ward team.

With all these epochal affairs our particular section had much to do and it is with a spirit of what is owed to the past that means and measures are sought to make the coming celebration a more significant and important affair than ever before in the history of Narberth.

Courtesy tags entitling the subscriber to all the privileges of the field will be sent in acknowledgment of contributions and all citizens, men and women, are urged to participate, with payments of \$1 or \$2 or \$5 or \$10 as they can and as they will.

And please, oh please, do not hold back because you may happen to be away from home on the big day, as that of itself, says Uncle Sam, would hardly afford a fair reason for keeping off the list, and it is hoped that there will be general agreement on that point.

There is said to be \$17,000,000 worth of alimony in effect in the United States. Yeah, but think of the \$78,842,000,000 life insurance that rests mostly on marriage.

TO MAKE CHANGES
AT TOWNSHIP DUMP

Board Hears Recommendations,
Passes Resolution:
for \$100,000 Loan.

Establishment and setting of curbing for Lower Merion roads and opening and making public of two of them, was action taken by the township commission at its June meeting, held Wednesday night in the Township Building at Ardmore. The action was taken on recommendation of Dr. Charles Seidel, chairman of the Highway Committee.

Ordinance 285 provides that curbs shall be provided, on due notice to property owners, and at their expense, on both sides of Grays lane, Haverford; Gulph road, General Wayne; Iona avenue, Merion, and Lippincott avenue, South Ardmore. Two other ordinances, also adopted, provided for the opening and making public of Lippincott avenue 50 feet wide and Iona avenue 40 feet wide. Grays lane and Gulph road had already been made public.

Anthwyn road, from Iona avenue to Oak road, Merion, has been approved by the Highway Department; but from Oak road to Montgomery pike action of the property owners is needed, agreeing to share the cost of paving the road, before the township will consent to take over the road.

Announcement was made that contracts had been awarded the Knox-Mariani Company for construction of sewers on Willow Way and Schiller and Maplewood avenues.

Dr. Seidel, chairman of a special committee, made eight recommendations for improvement of conditions at the township dump. The committee had been appointed following complaints made by Percival Roberts in April and Anton E. Wohler and J. A. LaFore and others in May.

The committee was empowered to install a gate at the dead end of a public road leading into the dump; to arrange an agreement with the caretaker for him to collect 25 cents for each wagon load, keeping one-fourth for himself plus the

salvage of the dump, in exchange for his keeping the place in good condition; to rescind an agreement with the borough of Narberth by which it at present is not charged for its use of the grounds and to seek an estimate on building of a culvert for a creek at the dump and the setting up of an incinerator to dispose of surplus inflammable rubbish.

Chairman William H. Sherwood, of the Finance Committee, offered out a resolution that a temporary loan of \$100,000 be floated for 90 days or such further period of time as might be necessary until Township Treasurer Peter C. Hess is able to make tax collections in large sums. His motion was passed.

President Frank H. Sykes read a petition by 21 property owners along Upland and Orchard roads, Merion, who seek to have the township take over those roads, which are listed as 45 feet wide; also a petition by four property owners on Old County Line road, Bryn Mawr, seeking to have the township vacate and abandon it, for its short extent in Lower Merion, south of Lancaster pike. Both petitions were referred to the Highway Committee for consideration.

Millersville Institute, also gave short talks on the institute.

Messrs. Bertram and Donald Taylor, of Narberth, entertained with many sleight-of-hand tricks. They proved themselves very competent magicians and held the crowd spellbound with their strange acts.

Rev. Leon Moore, of Philadelphia and a member of the University of Pennsylvania quartet, entertained with bass solos and also led the singing of the banqueters. Rufus without his side-partner, Rastus, well-known radio entertainers, kept the crowd in hysterics while he told some of his stories and jokes.

Rev. Samuel MacAdams, newly-appointed minister of the Methodist Church, gave an interesting address on the league and what is expected of it during this year, and mixed in a number of good after-dinner jokes which were enjoyed by all. Hermon Wise, tenor of the Ardmore Baptist Church quartet, topped off the affair by staging a beauty contest.

The contestants were Llewellyn Brooks, alias Miss Fit; William Heard, alias Miss Take; Alexander Purring, alias Miss Fortune; George Purring, alias Miss Use; Ernest Purring, Jr., alias Miss Construe.

After a lengthy debate by the judges, Rev. W. H. Robinson, Rev. Samuel MacAdams and Rev. Frank Prentzel, Miss Fortune was crowned the beauty queen for the year.

The members attending the banquet were: Joseph Boyd, J. Adaline Bowden, William J. Bailey, Virginia Burgstesser, Llewellyn Brooks, Henry Brooks, Behlah Chalfant, Lillian Compton, Katherine Hall, William Heard, Kathryn Heydler, Elmer Jenkins, Mrs. E. Jenkins, Harold Koup, Aletha Lamb, Mary Lentz,
